

Call someone to help, you better be two people!

Use the cardboard box, once opened, as a soft working surface in order not to damage the products.

Take one leg and fix it to the table top frame, using 2 BHSS M8 x 14.

Now turn the assembly upside-down, otherwise it would be too big and heavy to do it later!

Connect the other 3 legs in the same way, with 2 screws each, of the same kind.

Assemble each of the 4 curved seat with 2 low sides, using 8 BHSS M8 x 10.

Now fix the 4 seats to the table legs, using 4 BHSS M8 x 14 for each leg.

Done!

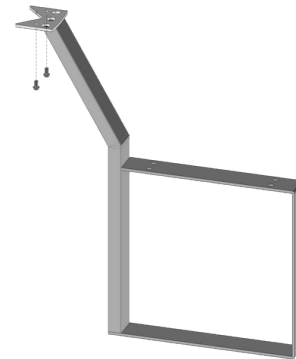

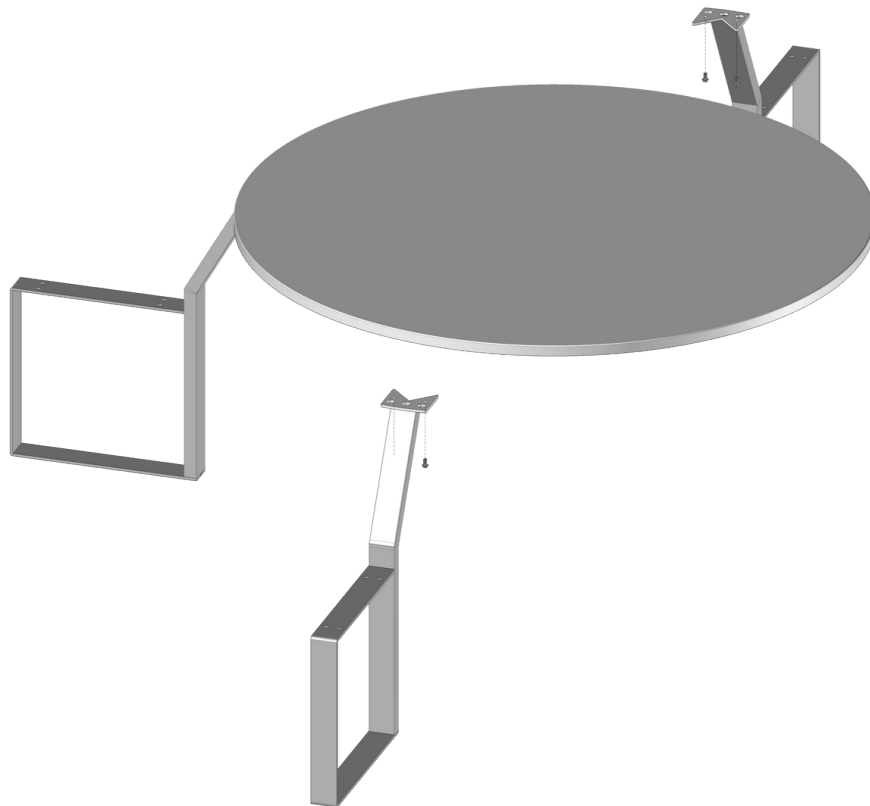

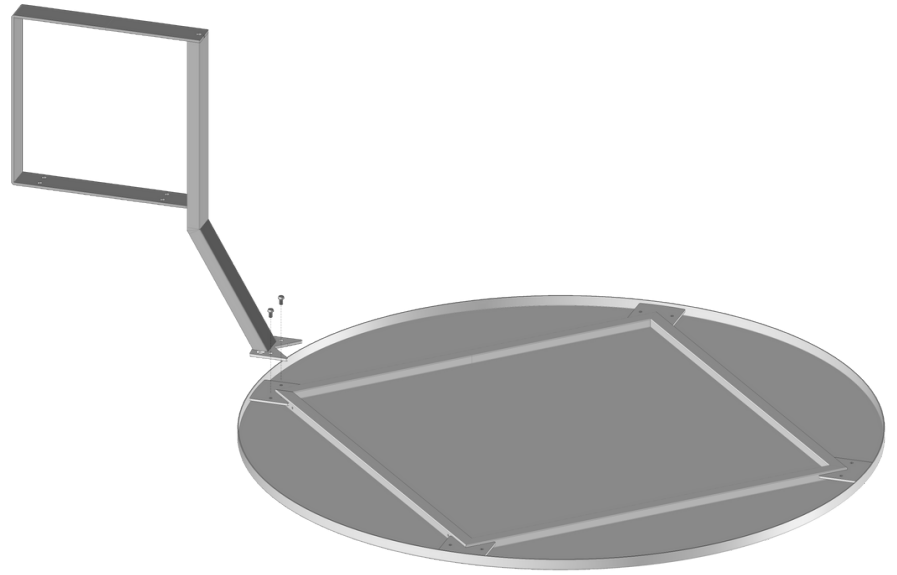

Assembly instructions

040. Picnic table

Five steps procedure

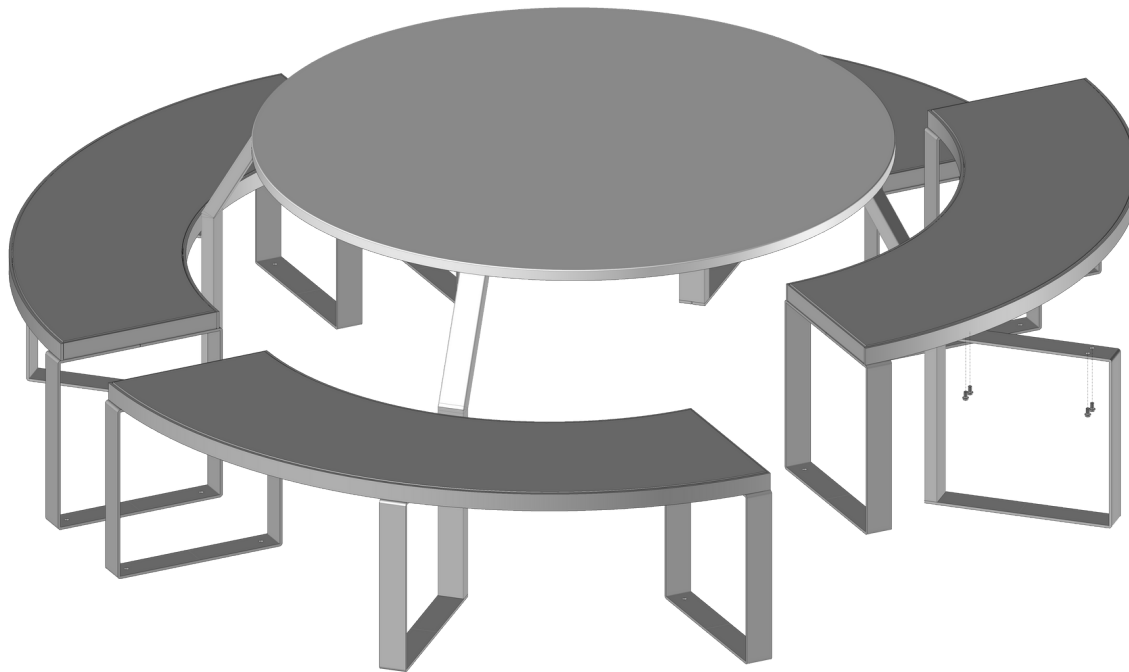

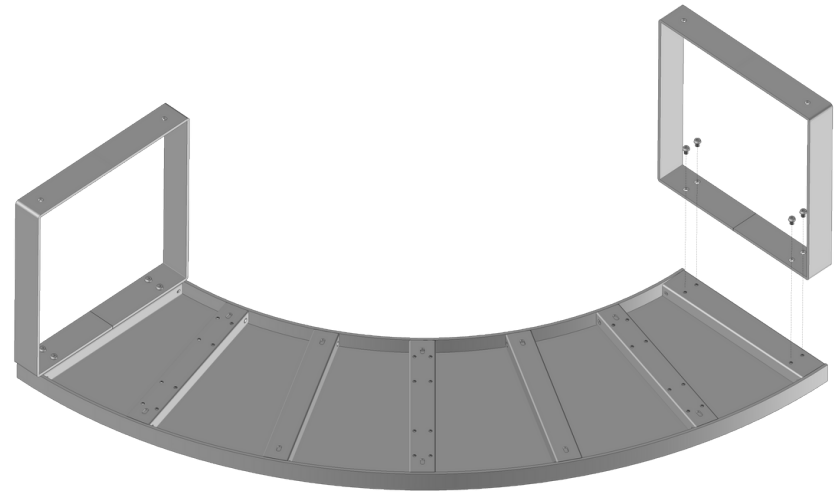

What do you need?

- 8x BHSS M8x14
- a hex screwdriver/Allen key

What do you need?

- 8x BHSS M8x10 (1 seat)
- a hex screwdriver/Allen key

- 4x BHSS M8x14 (1 seat)
- a hex screwdriver/Allen key
